

Expression of Interest for the NT Assessor Pool

Introduction

What is the NT Assessor Pool?

It is a register of artists and arts workers, who have nominated their interest in being an Assessor, that have the skills and knowledge to make a fair and informed assessment of applications to Regional Arts Australia grant rounds.

We are seeking a broad range of candidates in terms of art form, age, location, cultural background and career stage from artists, practitioners, administrators, and other arts workers.

Each individual may also nominate to be made available to each state's and territory's Regional Program Administrator who may choose to contract assessors for their grant assessments.

The names of all assessors in the NT Assessors Pool will be published on the Regional Arts Australia website and those of the state based Regional Program Administrators, along with the list of successful applications.

Payment

Assessors will be paid for their work.
